### Compliance status

Despite our best efforts to ensure accessibility of **Gaelscoil Riada**, some content may not yet be fully accessible. This includes:

- Some PDF documents may not be fully accessible to screen reader software
- Some images may not have sufficient alternative text
- Some older video content may not include captions
- We are actively working to address these issues as part of our ongoing accessibility improvements.
- Disproportionate burden
- Some older documents and archived content published before [date, e.g. September 2019] may not fully meet accessibility standards. Updating all legacy content would constitute a disproportionate burden at this time. However, we will provide accessible alternatives upon request.
